## Mingus Union High School District and Cottonwood-Oak Creek School District

### History of District Collaboration

- Mountain View Preparatory (MVP) is an International Baccalaureate World School (Primary Years Program) which offers a standards-based, K-9 curriculum in the Cottonwood-Oak Creek School District (COCSD).
- Mingus Union High School is the only district high school serving the City of Cottonwood. Mingus offers a wide-range of standards-based courses including Advanced Placement and dual-enrollment.
- NEED: An academic pathway to offer a rigorous, standards-based, comprehensive program to "bridge" across two different school districts, including all COCSD schools.
- FOUNDATION: Arizona College and Career Readiness Standards (ACCRS).

### Timeline

- The Humanities Pathway Choices became the logical "next-step" to transition MVP students to the program at Mingus.
- Mingus staff and MVP staff continue to work collaboratively to ensure a rigorous, standards-based program.

### Collaboration Between Districts

- What is STEAM?
- Aligned to the ACCRS
- Academic rigor
- Inclusive of all students
- Curriculum alignment/writing
